

Minutes of the Selection of Doctoral Candidates - 1st Semester of 2025

Public Notice 887 of October 22, 2024

On the **10th of December, two thousand and twenty-four**, Professors Newton Gonçalves Castro & Monica Macedo Bastos (internal members) and Sabrina Calil-Elias (Faculty of Pharmacy, Federal Fluminense University) & Fernanda Pauli (Department of Organic Chemistry, State University of Rio de Janeiro) (external members) met to evaluate the candidates for the Doctoral Program in Pharmacology and Medicinal Chemistry at UFRJ, for entry in the first semester of 2025. In this selection process, **07 (seven)** candidates submitted the complete documentation within the deadline established in the Public Notice and, therefore, had their registration confirmed, namely: **Bruna Caroline Esteves de Souza, Gabriel Afonso Bastos Esteves, Laudicéa do Nascimento Oliveira, Mayara Kelly Ferreira, Noaman Khan, Saulo Tavares Abreu, and Thayná Almeida Bibiano**. The candidates attended on December 09 to present their thesis projects and for questioning/discussion with the Examination Board in room F1-30 at the Health Sciences Center. According to the established Public Notice for the selection process, the candidates' resumes and project defenses/interviews were weighted at 33% and 67%, respectively. After the presentations and analysis of resumes, the board met to deliberate on the results, which are presented in the table below.
